## DETAILED ACTION

### *Response to Arguments*

1. Applicant's arguments, see Remarks (pages 10-15), filed 12/17/2009, with respect to claims 8-16 have been fully considered and are persuasive. The rejection of claims 8-16 has been withdrawn.

### *Allowable Subject Matter*

2. Claims 1, 3-6, and 8-22 are allowed.

3. The following is an examiner's statement of reasons for allowance:

\* Rejected independent claim 8 has been amended to overcome rejection under 35 U.S.C. 102(b);

\* Claim 13, as a whole, qualifies as a statutory process;

\* The present invention provides a new method and apparatus for identifying a potential target from image data representing a scene, wherein both spatial fusion and temporal integration are used to enhance target detection (specification, paragraph [0008]).

Particularly, the new method and apparatus comprise the following features, which the prior art taken either singly or in combination does not teach:

- the pre-detection temporal fusion... from the sensor; and the pre-detection spatial fusion... from two different sensors (see independent claim 1);
- fusing the frames of image data... at least one sensor (see independent claim 5);

- the temporal fusion technique... from the same sensor (see independent claim 8);
- performing a pre-detection technique... or a reverse threshold technique (see independent claim 13);
- performing a pre-detection fusion technique on data corresponding to at least one extracted feature from each sensor (see independent claim 17);
- spatial processing means for fusing the temporally integrated sensor data from said temporal processing means, wherein said spatial processing means detects the target form the spatially fused data and provides an indication corresponding to the detected target (see independent claim 21).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
